AN INTRODUCTION TO **CRICKMAY** CHARTERED SURVEYORS

Our experience in commercial property across the South East

An extensive knowledge of the South East property market, combined with our professional and proactive yet friendly approach, sets us aside from our peers. Established in 1984 we have extensive industry and regional knowledge, which few can compete with.

From our Sussex offices, Crickmay's team of commercial property experts provides a wide range of services, covering East and West Sussex, Surrey, Kent, Hampshire, London and beyond.

Setting us apart from others is our strong team of Chartered Surveyors along with graduate Surveyors across all of our offices.

We provide advice to a mix of occupiers, landlords, developers, investors and all those with an interest in commercial property, which includes:

- **Offices**
- **Industrial**
- **Retail**
- **Investment & development**
- **Land**
- **Leisure**
- **Public buildings**
